Statement of Progress:

#### **A. Mission:**

The PHA is striving to promote adequate and affordable housing by continuous modernization of units. All of the units contain central heat and air. Laundromats are located on all sites. Eighteen (18) units have been modernized to accommodate persons with disabilities, 504 compliant. Economic opportunities are made available through summer work programs for youth. PHA hire and train residents. PHA partnerships with a literacy program called “Even Start” to assist residents in obtaining GED and increasing skills, which will help individuals toward self-sufficiency and economic independence and English proficiency classes for the large number of Spanish speaking residents. The PHA actively supports the local Boys and Girls Club and Christian Outreach. Youth from the PHA are enrolled in the Boys and Girls Club. Christian Outreach distributes food to families in need and assists in locating agencies to help pay utilities and secure furniture and other household items. The PHA contracts with the Diboll Police Dept. as needed to provide security patrol to ensure a safe environment. We are providing a suitable living environment free from discrimination with activities for all residents, clean-up campaigns and other projects to promote racial harmony.

#### **B. Goals**

Our goals are to continue to reduce vacancies by increasing amenities such as Laundromats, central heat and air conditioning and providing transportation for the Senior Citizens to local stores, banks, post office, etc. PHA also will continue to make residents aware of amenities such as transportation through the local trolley system and the day care center. PHA modernized units to provide reasonable accommodations for disabled persons.

To improve PHAS score and customer satisfaction by increasing unit inspections, efficient work order response and directing staff to be more sensitive to needs and request of residents.
